

2022 FORD  
**F-150®**

XLT SUPERCREW® 4x4. Rapid Red Metallic Tinted Clearcoat.<sup>1</sup> Available Chrome Package. Available equipment.

1. Additional charge. 2. Max. towing of 6,350 kg available on XL SuperCab™ 8' box 4x2 and SuperCrew 6.5' box 4x2 configurations with the available 3.5L EcoBoost® engine and available Max. Trailer Tow Package (not shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. 3. Horsepower, torque, payload and towing are independent attributes and may not be achieved simultaneously. 4. Max. payload of 1,508 kg available on XL Regular Cab 8' box 4x2 with available 5.0L V8 engine and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle. 5. Max. horsepower based on the available High-Output 3.5L EcoBoost engine on RAPTOR (not shown). Horsepower rating based on premium fuel per SAE J1349® standard. Your results may vary. 6. Max. torque on the available 3.5L PowerBoost™ engine (not shown). Calculated via combined performance of the engine and electric motor(s) with peak battery power. The calculations utilize SAE J1349 engine results and Ford electric motor dyno testing. Your results may vary.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

# LEAD BY EXAMPLE.

This is the toughest, most productive generation of Ford F-150 truck ever. With 7 trim levels from the XL to the 3rd-gen RAPTOR™ truck – the most off-road capable, best-performing F-150 RAPTOR generation ever. You can choose from 5 engines, 3 cabs, 3 box lengths, and loads of capability and appearance packages.

Available towing and payload numbers are backed by legendary Built Ford Tough® brawn, durability and longevity. They're also enhanced by available technologies, like the Onboard Scales and Smart Hitch, and the Continuously Controlled Damping (CCD) suspension. The more you have to do, the more ways the 2022 F-150 pickup can help you get it done. It's cutting edge, hardworking, and out in front.

# BRING THE SOLUTIONS.

Whether you're headed to the job site or your camp site, each day can present a new set of challenges. The 2022 Ford F-150 lineup is engineered to help you bring the solutions. Visionary technologies – like the available Pro Power Onboard that's hard at work here – help make life easier by giving you the tools and the confidence to tackle difficult tasks. Bottom line: Ford F-150 trucks are all about making you more productive – on the clock and off.

## FEATURES

### • STANDARD    ◦ AVAILABLE

- High-Strength, Military-Grade, Aluminum Alloy<sup>1</sup> Body and Box

- Active Park Assist™ 2.0

LARIAT™ SUPERCREW® 4x4. Atlas Blue Metallic. Available LARIAT Sport Package.  
Available equipment.

1. 6000-series aluminum alloy.

# OFF-ROAD BEAST.

The Ford F-150 RAPTOR™ pickup is built for THIS. You're looking at the most off-road-capable, best-performing RAPTOR generation ever. This 3rd-gen truck is packed with Built Ford Tough® engineering innovations inspired by the demands of desert racing – where drivers not only speed over rough terrain, but "may" even jump and catch air. The 5-link rear suspension with Panhard rod is designed to deliver more control and torque to the ground in high-speed desert driving situations. Suspension travel has increased on this generation. Plus, it has 24" rear coil springs. Trail Turn Assist, standard on RAPTOR trucks this year, can help you make those tight corners by reducing the turning radius at low speeds. Select from 4 modes with active valve exhaust: Quiet, Normal, Sport and Baja. Then pick from 7 Selectable Drive Modes – also including a Baja – to dial up the ride of your life. Straight out of the factory.

## RAPTOR

HIGH-OUTPUT 3.5L  
ECOBOOST® ENGINE

450 MAX.  
HP<sup>1,2</sup>  
510 LB.-FT.  
MAX. TORQUE<sup>1,2</sup>

RAPTOR SUPERCREW® 4x4. Black leather-trimmed seating with Approach Angle sueded cloth accents.  
Available equipment.

Front seat belts not shown in order to provide a clear view of the vehicle interior.

1. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.  
2. Horsepower and torque are independent attributes and may not be achieved simultaneously.

# TOW BIG OR GO HOME.

The Ford F-150 SuperCrew® pickup can tow an available 6,350 kg<sup>1</sup> across town or cross-country. In fact, every truck in the lineup is born to tow. You can use the Rear View Camera with Dynamic Hitch Assist to help center the tow ball under the trailer coupler. And tap into the available Tow Technology Package features for even more assistance. The Smart Trailer Tow Connector displays trailer battery status and can warn you if trailer lights are out. After initial setup, Pro Trailer Backup Assist™<sup>2,3</sup> simplifies truck steering to help you easily back up your trailer.

## MAX. AVAILABLE TOWING 6,350 KG<sup>1</sup>

**KING RANCH® SUPERCREW 4x2.** Agate Black/Stone Gray Metallic two-tone. Available Max. Trailer Tow Package. Available equipment. (Max. Towing 6,305 kg when properly equipped with the available Max. Trailer Tow Package.)

**1.** Max. towing of 6,350 kg available on XL SuperCab™ 8' box 4x2 and SuperCrew 6.5' box 4x2 configurations with the available 3.5L EcoBoost engine and available Max. Trailer Tow Package (not shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. **2.** Please consult your Owner's Manual or Pro Trailer Backup Assist Quick-Start Guide for information on setting up your trailer. **3.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations. **4.** Continuously controlled damping with pothole detection can provide some protection against jarring impact and costly wheel and tire repairs from road imperfections.

King Ranch is a registered trademark of King Ranch, Inc.

# TOW SMARTLY.

The Ford F-150 pickup has long offered technologies to help make towing easier<sup>1</sup> – the available Smart Hitch feature is yet another. Activate it before you hook up your trailer and follow the on-screen steps to see your approximate trailer tongue weight and check if the trailer weight is distributed correctly. Smart Hitch is engineered for use with weight-carrying and weight-distribution conventional hitches, as well as gooseneck and 5th-wheel hitches. You can view the feature 2 ways: with the Smart Taillamps and on the SYNC® screen.

U.S. model shown.

**PLATINUM® SUPERCREW® 4x4.** Iconic Silver Metallic. Available equipment.

**1.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations.

# CARRY THAT WEIGHT.

Payload and productivity go hand in hand. That's why Ford F-150 trucks use Built Ford Tough® advanced engineering to help you make the most of every load. Case in point: available Onboard Scales can tell you the max. payload rating of your specific truck<sup>1</sup> and the approximate weight of its current payload. Just activate them to see when your truck is nearing its payload limit. You can track the action 2 ways: on the SYNC® screen and with the Smart Taillamps. There's also a cargo box camera (included in the available 360-Degree Camera<sup>2</sup>) that lets you check cargo and tie-downs, and see if the tailgate is closed. When you need to carry that weight, do it smartly with your Ford F-150 pickup.

## AVAILABLE CARGO TOOLS

- Extended-Length Step Bars and Running Boards
- Power Tailgate including the Tailgate Step and Tailgate Work Surface
- Stowable Loading Ramps
- BoxLink™ with Locking Cleats
- LED Cargo Box Lighting

**XL REGULAR CAB 4x2.** Oxford White. Available Heavy-Duty Payload Package. Available equipment. (Max. Payload 1,474 kg when properly equipped with available 8' box, available 5.0L V8 engine, and available Heavy-Duty Payload Package.)

**1.** Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle. **2.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations. **3.** Max. payload of 1,508 kg available on XL Regular Cab 8' box 4x2 with available 5.0L V8 engine, and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown).

## MAX. AVAILABLE PAYLOAD

**1,508 KG<sup>1,3</sup>**

**SMART TAILLAMPS**  
Included with the available Onboard Scales and Smart Hitch, these let you stand outside to check that your trailer tongue weight is within recommended limits and the truck is within its max. payload capacity.

## CENTRAL CONTROL

SYNC screen lets you view available Onboard Scales inside of the truck.

# GO FULL HYBRID.

The available 3.5L PowerBoost™ Full Hybrid V6 engine lives up to our Built Ford Tough® commitment and meets the demands of those who work hard and play harder. We torture-tested it to make sure it operates in extreme conditions. Our teams took it up the grueling Davis Dam grade in Arizona, through the high altitudes of Colorado, and into the brutal cold of Manitoba, Canada. This next-gen full hybrid powertrain combines the proven 3.5L EcoBoost® twin-turbo V6, a transmission with an integrated electric motor, and a lithium-ion battery pack to intelligently store and augment power by up to 44 hp (33kW) when you need it most. Plus, Ford F-150 models with PowerBoost deliver the same passenger and cargo room as their non-hybrid siblings – no compromises.

MAX. AVAILABLE  
**430 HP<sup>1,2</sup>**

MAX. AVAILABLE TORQUE  
**570 LB.-FT.<sup>1,2</sup>**

MAX. AVAILABLE TOWING  
**5,761 KG<sup>1,3</sup>**

MAX. AVAILABLE PAYLOAD

**LIMITED SUPERCREW® 4x4.** Smoked Quartz Metallic Tinted Clearcoat.<sup>5</sup> Available equipment. Available 3.5L PowerBoost engine. Available Max. Trailer Tow Package. (Max. Payload 655 kg and Max. Towing 4,808 kg when properly equipped with 5.5' box, available 3.5L PowerBoost engine, and available Max. Trailer Tow Package.)

1. Horsepower, torque, towing and payload are independent attributes and may not be achieved simultaneously. 2. Max. horsepower and torque based on the available 3.5L PowerBoost engine. Calculated via combined performance of the engine and electric motor(s) with peak battery power. The calculations utilize SAE J1349® engine results and Ford electric motor dyno testing. Your results may vary. 3. Max. towing of 5,761 kg available on XL SuperCrew 4x2 with available 3.5L PowerBoost engine and available Max. Trailer Tow Package (not shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. 4. Max. payload of 962 kg available on XL SuperCrew 6.5' box 4x2 with available 3.5L PowerBoost engine (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle. 5. Additional charge.

# POWER IT YOUR WAY.

Our wide range of available powerplants can deliver the performance you need, along with your choice of attitude. The 3.5L PowerBoost™ Full Hybrid engine is a revolution under the hood, while the 5.0L V8 is a modern classic. The twin-turbos on the 3.5L EcoBoost® engine provide an afterburner rush, and the workhorse 3.3L V6 is a get-it-done kind of motor. The Ford F-150 lineup offers an engine for the way you want to roll.

## STANDARD 10-SPEED AUTOMATIC TRANSMISSION

Offers you up to 8 Selectable Drive Modes

- **4x2:** Sport, Eco, Tow/Haul, Normal, Slippery and Trail
- **4x4:** includes 4x2 modes except Trail and adds Deep Snow/Sand and Mud/Ruts
- **Available FX4™ Off-Road Package:** includes 4x4 modes and adds Rock Crawl
- **RAPTOR™ models:** Sport, Tow/Haul, Normal, Slippery, Rock Crawl, Off-Road and Baja

**3.5L POWERBOOST FULL HYBRID V6**

400 Max. HP<sup>2</sup>  
410 lb.-ft. Max. Torque<sup>2</sup>

**3.3L TI -VCT V6**  
290 Max. HP<sup>2</sup>  
265 lb.-ft. Max. Torque<sup>2</sup>

1. Calculated via combined performance of the engine and electric motor(s) with peak battery power. The calculations utilize SAE J1349 engine results and Ford electric motor dyno testing. Your results may vary. 2. Horsepower and torque are independent attributes and may not be achieved simultaneously.

# BUILT-IN WORKBENCH.

Now it's even easier to set up shop wherever you take your Ford F-150 pickup. A variety of useful holders are molded into the available durable composite Tailgate Work Surface, which has a grained texture to help keep work in place. Every F-150 model equipped with the available tailgate step comes with this innovative feature. Plus, all F-150 tailgates get standard tie-down hooks to help secure loads that extend out over the tailgate (and double as handy bottle openers), as well as standard clamp pockets that can allow you to perform a wider range of tasks.

**TAILGATE CLAMP POCKETS**

Just the thing to help your work stay where it belongs.

**TAILGATE STEP**

This available feature is a Ford innovation and a proven design.

XL SUPERCAB™ 4x2. Atlas Blue Metallic. Available STX® Package. Available equipment.

# THE POWER AUTHORITY.

With available Pro Power Onboard, the Ford F-150 pickup offers usable power on demand. From Tailgater to Contractor, available 2.0kW, 2.4kW and 7.2kW systems let you choose the output<sup>1</sup> that meets your needs. Plug into the available AC outlets located in the cab and box, and use the dashboard SYNC® 4 screen to track combined wattage used by connected devices. Choose the available PowerBoost™ Full Hybrid engine, and the vehicle's lithium-ion battery can help run your job site. If the hybrid battery gets low, the engine can start automatically<sup>2</sup> to recharge it and you can keep working. When the weekend rolls in, throw the ultimate tailgate party by plugging in a TV and portable fridge. Then let the games begin.

#### **CENTRAL CONTROL**

**SYNC screen lets you monitor power draw and usage inside of the truck.**

**Maximum power available is limited to the combined total of all items in use.<sup>3</sup>**  
**7.2kW full capability requires use of a 240V item; 120V capability maximum is 6kW.**

**1.** Maximum power draw not to exceed limits specified in the vehicle Owner's Manual. See Owner's Manual for important operating instructions. **2.** Automatic engine restart requires that Generator Mode is engaged. **3.** Power may also be limited in Drive mode, or certain ambient temperature conditions. Some electrical equipment requires higher startup power than the running rating and could exceed the power capacity of the system. See Owner's Manual for important operating instructions.

## FORD CO-PILOT360™ TECHNOLOGY

With their ability to monitor situations and conditions, this well-rounded collection of advanced driver-assist<sup>1</sup> systems can supplement your driving skills, helping you feel confidently in command.

### STANDARD FEATURES

*Standard on every Ford F-150 model*

- Auto Hold
- Autolamp (Automatic On/Off Headlamps) with Auto High-Beam Headlamps and Rainlamp
- Lane-Keeping System
- Pre-Collision Assist with Automatic Emergency Braking (AEB)
- Rear View Camera with Dynamic Hitch Assist

### FORD CO-PILOT360 2.0

*Standard on XLT, LARIAT™ KING RANCH®, PLATINUM®, LIMITED and RAPTOR™; Available on XL*

- Auto High-Beam Headlamps
- Lane-Keeping System
- Pre-Collision Assist with Automatic Emergency Braking (AEB)
- Rear View Camera with Dynamic Hitch Assist

*Standard on KING RANCH, PLATINUM and LIMITED*

- Intelligent Adaptive Cruise Control with Stop-and-Go, Lane Centering and Speed Sign Recognition
- Evasive Steering Assist
- Intersection Assist
- Touchscreen Navigation System<sup>2</sup>

### FORD CO-PILOT360 ACTIVE 2.0

*Standard on LIMITED*

- Active Park Assist 2.0

**LARIAT SUPERCREW® 4x4.** Rapid Red Metallic Tinted Clearcoat.<sup>3</sup> Available Sport Package. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations. 2. Availability varies by market.
3. Additional charge.

# RUGGED AND REFINED.

As rugged as Ford F-150 pickups can be, all cabs feature comfortable seating with distinctive colors and other design cues that help set each trim level apart. Available leather multicontour front bucket seats feature Active Motion® massage, as well as a 10-way power, heated and ventilated driver's seat with memory. It's impressive how much functionality is built into the F-150 Regular Cab, SuperCab™ and SuperCrew® configurations. And it all fits to a T.

**CARGO-HAULING TOOLS**  
Flat load floor and tie-down hooks.

**REAR UNDERSEAT STORAGE<sup>1</sup>**  
Available storage raises, divides and locks.

**AVAILABLE B&O® SOUND SYSTEMS**  
8-speaker B&O or 18-speaker B&O Unleashed.

**MODERN MATERIALS**  
Ford continues to elevate and innovate interior design.

**HEADREST SPEAKERS**  
Part of an available 18-speaker/1,080-watt B&O Unleashed Sound System designed to deliver outstanding audio.

**CONSOLE STORAGE**  
The available flow-through center console has plenty of space inside, and the design supports the available Interior Work Surface.

**DOOR STORAGE**  
Plenty of room and quick access for items you use all the time.

**UPPER GLOVE BOX**  
This available feature adds to the useful storage already inside the truck.

**LIMITED® SUPERCREW 4x4.** Admiral Blue interior. Available equipment.

U.S. model shown.  
Front seat belts not shown in order to provide a clear view of the vehicle interior.

#### 12" DIGITAL INSTRUMENT CLUSTER

This available display includes full digital gauges, contextually animated vehicle avatars, Drive Mode visualizations, menus and alerts. Plus, it lets you choose the configuration of gauges and features you want to see.

U.S. model shown.

# YOUR MOBILE COMMAND CENTER.

The Ford F-150 pickup is all about making your time more productive. There are 2 styles of available Interior Work Surface ready to go anytime your truck is parked. The first (shown at left) can equip the available flow-through center console. Its lid unfolds and opens completely flat thanks to a stowable shifter that moves out of the way at the touch of a button. The second (below) can equip the 40/20/40 front bench. Couple either with the available 12" LCD touchscreen in the center stack that serves up large camera views for trailer hookup and maneuvering, plus SYNC® 4<sup>1</sup> information-on-demand screens and onboard Truck Feature apps for productivity on the go.

#### INTERIOR WORK SURFACE

Available 40/20/40 front bench seat version.

#### WIRELESS CHARGING PAD

Available feature makes phone charging simple.<sup>2</sup>

KING RANCH® SUPERCREW® 4x4. Norias/Mesa Antique Affect interior. Available equipment.

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **2.** Qi wireless charging may not be compatible with all mobile phones.

# TECH KEEPS YOU CONNECTED.

From home to truck to job site, you want seamless connectivity to help you take advantage of opportunities as they arise. SYNC® 4<sup>1</sup> technology from Ford can help by bringing twice the computing power of SYNC 3 to help make available navigation, music and wirelessly connecting your vehicle to your smartphone fast and easy.

## VOICE-ACTIVATED SYNC 4

### LARGER SCREEN<sup>2</sup>

A large, available 12" touchscreen<sup>2</sup> has split-screen capability where you can see 2 features at the same time. SYNC 4 allows you to access everything from online reviews to parking availability.

### APPLE CARPLAY AND ANDROID AUTO

Get wireless connectivity with both Apple CarPlay® and Android Auto™ compatibility,<sup>3</sup> so you can access your smartphone apps without looking at your phone.

### ENHANCED VOICE RECOGNITION

With available Enhanced Voice Recognition, SYNC 4 allows access to conversational voice commands.

### DIGITAL OWNER'S MANUAL

While the truck is in Park, you can access the Digital Owner's Manual to learn about vehicle features and even watch quick how-to videos, all on the centrally located touchscreen.

**LARIAT™ SUPERCREW® 4x4.** Black interior. Available LARIAT Sport Package. Available equipment.

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.
  2. Availability varies by market.
  3. Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.
- Android Auto is a trademark of Google LLC. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

U.S. model shown.

# TOUGH TRIED AND TRUE.

Built Ford Tough® values are the ties that bind the doers of the world to the trucks that get things done. They motivate the creativity of our designers, the ingenuity of our engineers, and affect nearly every component, part and assembly that go into our Ford F-150 trucks. They are the call to test our trucks to the limit, and the duty to deliver trucks that stand the test. They span millions of miles over the decades. Put one to the test and discover what the Built Ford Tough creed means to you.

## THE RUGGED FRAME

Fully boxed, with 8 muscular crossmembers and large, cross-section frame rails. Comprised of high-strength steel, it's electrocoated with a durable protective shell that helps inhibit rust.

## THE BODY AND BOX

Constructed of high-strength, military-grade, aluminum alloys,<sup>1</sup> the panels are hardened through heat treating for even greater strength. Plus, the aluminum alloy body and box resist corrosion and don't rust.

## LONG, WIDE REAR LEAF SPRINGS

Their length helps increase spring life for the long haul, and the rear spring bushings have been tuned with ride quality in mind. Spring width helps stabilize axle control, while balancing ride smoothness with impressive payload capability.<sup>2</sup>

## CRASH ENERGY MANAGEMENT

A masterful mix of high-strength, military-grade aluminum alloys work with the high-strength-steel frame structure to manage crash/crush energy into the F-150 passenger compartment in certain front, side and rear impacts.

1. 6000-series aluminum alloy. 2. Max. payload of 1,508 kg available on XL Regular Cab 8' box 4x2 with available 5.0L V8 engine, and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle.

WB = Wheelbase

**1.** Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. **2.** Requires Max. Trailer Tow Package. **3.** Requires Max. Trailer Tow and Heavy-Duty Payload Packages. **4.** RAPTOR™ only.

Towing Notes: Maximum loaded trailer weights shown. Do not exceed trailer weight of 2,268 kg when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See the RV and Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.

FORD ACCESSORIES
